G调竹笛 筒5 $\text{♩} = 86$

9 The way, if it's all pre - deter - mined,

And the way I should go all my life.

I swear to go what - ever wi - ll be,

'cause there'll be some - thing to see and to find.

26 I don't know the mean - ing of life,

but I know what's tru - ly pre - cious.

The way, it leads me to be in love.

No fear, I can find me al - way - s in my heart.

44

The life, it's not for com - paring things,

So I hold both of light and sha - dow.

The rays of stars will bring me to you.

Through the dark nights, I see the way to be shined.

I don't know what's right for our life,

But I know the truth of my love.

The way, if it's all pre - deter - mined,

And the way I should go all my life.

I swear to go what - ever wi-ll be.

Thus the grace I would have will al - way - s in my heart.

Thus the grace I would have will al - ways in my
