The life, it's not for com - paring things,

So I hold both of light and sha - dow.

The rays of stars will bring me to you.

I don't know what's right for our life,

But I know the truth of my love.

The way, if it's all pre - deter - mined,

And the way I should go all my life.

I swear to go what - ever wi-ll be.

Thus the grace I would have will al-way - s in my heart.

Thus the grace I would have will al - ways in my
